## DAMIAN GREEN VISITS THE INKERMAN GROUP'S 24/7 OPERATIONS CENTRE

Damian Green, Minister for Immigration and Ashford's MP, took time out from his busy schedule on Friday 30 March to visit The Inkerman Group's state-of-the-art Operations Centre based in Ashford.

Mr Green spent time being briefed by the Company's senior management team and met staff, some of whom had recently returned from Libya, during his two-hour visit, as well as having a tour of its 24/7 international Operations Centre. The Inkerman Group manages a wide range of business risk and intelligence services for its clients, based around the world; their teams work in a variety of challenging situations, including currently in Libya and Egypt where they have been providing critical security services since the outbreak of the 'Arab Spring' and continue to do so. During his time in the Operations Centre, Mr Green was shown round by Michael Allen, MBE and a Director of The Inkerman Group, who is responsible for the Operations Centre and the Company's deployed activities, where he saw first-hand operations taking place keeping travellers and employees safe.
