

PRESS RELEASE

THE INKERMAN GROUP

WILL GREIG APPOINTED MAIN BOARD DIRECTOR AT THE INKERMAN GROUP

JULY 2022, THE INKERMAN GROUP has announced that Will Greig has been appointed to its Board of Directors as an Executive Director. This announcement comes as the company continues on a period of significant growth and business consolidation.

Greig has joined the Board at this time to further contribute to The Inkerman Group's ambitious business plans, having worked previously with the company as Group Operations Director for the last two and a half years. He has already brought significant operational and management experience to its activities to date particularly with regard to the expansion that the Company is experiencing on a global basis.

Greig has been instrumental in establishing and providing key operational activities and services to Inkerman's clients throughout the world; his team delivers the Company's key services such as Corporate Intelligence, Crisis Management, Cyber Response, Emergency Evacuations, and Repatriations, Travel Safe, Tracking, 24/7 support and response to Internationally based clients and operationally deployed teams throughout the World, including most recently in Ukraine; specialising in Cyber and Bitcoin.

Commenting on his appointment, Greig explains "I am extremely pleased to be invited to join the Board at this time - it is an exciting opportunity, in particularly challenging times for our clients. The Inkerman Group continues to spread its influence and continues to grow and develop its client base and specialist products and services globally. This is a particularly important growth time for the business," he continues, "as the Company continues to secure new contracts throughout the globe." Greig will particularly play a significant role in The Inkerman Group's International expansion plans.

Gerald Moor, CEO explains "Will's skills are exactly what The Inkerman Board needs to take business to a new high. His knowledge of AI and Cyber coupled with his exposure to hostile environments will give clients an added leverage on their competitors. He has witnessed and been instrumental in the Company's step change which started during the last 2-3 years." He adds "Will brings a unique level of knowledge and experience, particularly in the management of risk management issues for clients and operational service delivery - this announcement today is a further endorsement of his contribution and expertise."
